Event: C Qualification (Final)

SHEET 3	H	1	2	3	4	5	6	7	8	9	10	11	TOTAL
Law		0	1	0	1	1	1	0	5	X	X		9
Fox		1	0	1	0	0	0	1	0	X	X		3

- End 1: Fox forced to take one when her blank attempt stuck on the outside edge of the 12 foot
- End 2: Law forced to draw for one against two yellow stones
- End 3: Fox forced to take one when her blank attempt stayed in the rings
- End 4: Law's blank attempt fails, forcing her to take one
- End 5: Law was laying two, close to the button as Fox came to throw her last. Although her draw attempt for one was very close, Law hung on for a steal of one. Cautious and conservative describes play up to the end of the 5th with both teams demonstrating their respect for the opposition.
- End 6: Game on in the sixth! With both teams playing the rings, Law made a beautiful wick & roll off of one of her own to lie shot back four foot behind cover. Fox tried a raise to take the end but it over-curled just a touch and rolled for second shot. Steal of one for Law
- End 7: Some nice shots in this end shows the offence is taking over. Well placed guards by both skips left Fox with a difficult hit for two that rolled just a little too far so she had to settle for 1 again.
- End 8: Needing the steal now Fox gets the guards in play early, but the Law front end battled around them then a miscue by the Fox rink lead to Law being able to take out a yellow and lie 5. Fox drew 2 into scoring position but Law removed both of them and scored 5 ending the game in the 8th.
